Senior Pastor

Reverend John H. Hose
Pastor Emeritus

Dear Members and Friends,

Easter Sunday will mark the Fifteenth Anniversary of the Chartering of our Church. This is exciting for us as it means that, not only are we the oldest church in our District, we are the oldest gay organization in the city of Atlanta.

To celebrate our anniversary, we are planning a group of special events beginning April 14 and culminating on Easter Sunday with the Reverend Elder Troy D. Perry as our special guest. We hope that you will be able to share at least part, if not all, of our celebration which we have called "Homecoming '87."

Some of the highlights of our celebration will include a covered-dish dinner in honor of new members to our Church Family on April 14; our traditional Maunday Thursday Passover Seder and Good Friday Tenebrae Service; a very special dinner, show, and dance on Saturday evening; and, of course, the exciting Easter Sunday activities with Reverend Elder Perry. In order to make this special occasion complete, we would like as many members, former members, and friends as possible to join with us.

The past fifteen years have been filled with many experiences for our Church. We have been served by six pastors. We have met in five different facilities. We have hosted a General Conference of the U.F.M.C.C. We have purchased a building and a pipe organ and completely paid for both. We have been vandalized and fire bombed. We have been responsible for bringing nine people into the clergy of the U.F.M.C.C. We have seen our membership fluctuate from our original fifty-six members to over two hundred members. We have spawned three other religious bodies from our membership (one failed; two have survived).

Although our present membership numbers sixty, we directly touch the lives of over two hundred people each week. There is a new feeling of revival in our Church, and this can be witnessed by the number of things that have been accomplished. We are beginning the first stage of our ambitious building remodeling program with the removal of the rear seats in our auditorium and the construction of our new Social Hall. We are tackling the problem of the hungry by feeding over one hundred homeless persons each week. We have added many new programs and activities, and there is a new feeling of "family" within our Church. Throughout the past fifteen years, we have remained here as a constant witness to the Gospel of Jesus Christ and God's love for ALL people.

We look forward to seeing you at M.C.C. Blessed Redeemer, Atlanta, and hope you can be with us as we go forward in the work God has given us!

Yours in Christ's service,

Dear Pastor or Worship Leader,

Good Shepherd Parish MCC is looking for either a lay or clergy person to be our Director of Programming Ministry, responsible for evangelism, inreach and adult Christian education. I ask you to please do two things which will help us find the right person:

- 1). Post the enclosed flyer on your church's bulletin board
- 2). If you know of anyone, including yourself, who has the skills we are seeking, please mention this job opening to them and show them a flyer.

While the application packet will contain complete information, here are some important details:

- 1). The position will initially be half-time with an annual salary of \$6,000. As we continue to grow, the position can become fulltime. However, we are also open to hiring someone on a permanent part-time basis instead if this meets their needs. For example, this is an excellent job for someone who is pursuing an advanced degree. Chicago has many seminaries and colleges which are open to Gays and Lesbians.
- 2). This position is newly created in response to recent growth. We need someone with special skills to expand our ministry beyond the limits of what I can achieve by myself. I see this person as complementing my personal gifts, not duplicating them.
- 3). My highest priority is the expansion of the scope and effectiveness of Good Shepherd's ministry. This is an exciting time, as we learn how to better follow Jesus' Great Commission. I am committed to seeing the Good News brought to those in need in Chicago in an effective way which results in their becoming Christ's disciples.

Thank you for your assistance to us in our search. I also ask your prayers for wisdom and guidance for our church during this period.

Yours in Christ,

Celena M. Duncan, Pastor

Dear Brothers and Sisters in Christ:

Prayers have been answered, and we'd like to thank you for contributing yours! On January 25, 1987, the Membership of Holy Covenant MCC voted to call Rev. David Holzhauer as our Pastor. Rev. Holzhauer comes to us from St. Petersburg, Florida, where he has been serving as Associate Pastor of King of Peace MCC. His official duties will begin with us as of March 1, 1987.

God has certainly provided us with an extremely talented and Spirit-filled individual who, we rest assured, will lead Holy Covenant as we continue to grow in number and works.

We are truly grateful to those who have worked so diligently in the past to serve us: our Founder, Rev. Arthur Green; our most recent Pastor, Rev. Grant Ford; and our Interim Pastor, Deacon John Whennen. We are also appreciative of the help of our Fellowship Office during the Interim period.

Whether you've attended Holy Covenant in the past or will be traveling through the greater Chicago area, we invite you to join us and partake of the warmth and love that MCC congregations provide!

May God bless you as we at Holy Covenant have been blessed.

Dear Partners in Ministry:

Since its beginning, UFMCC has been running to keep up with the need for clergy to serve its congregations. Simultaneously, we have been in the midst of learning from our experience as we create it, what a person needs to know and be to function well and joyfully as UFMCC clergy.

The press of our church life and needs has set such a heavy agenda that it has been difficult for us to gather the time, energy and resources to step back and thoughtfully consider as a totality the underlying questions and human dynamics in regard to training and licensing of clergy. Thus we have tended to respond in a potluck fashion to specific concerns as they arise with a solution specifically geared to that concern as a separate variable. We tend to treat symptoms as the press of day-today business just does not allow us to trace each concern back several steps to its roots.

As a time of testing, growth, transition and formation, student clergy status will always contain certain stresses and discomforts. However, I have come to believe that for a significant number of our student clergy, these inherent dynamics are not adequately balanced by the joys that (to my mind) should also be a part of this period. I believe that this is a reality that often lies behind difficulties that our clergy often encounter in their first years of ministry.

These concerns led me to studying these issues as my ordination project. My project when done will not just be filed as part of the ordination process. It will contain concrete suggestions regarding our approach to the student clergy period and credentialing process that will be shared with relevant people in the Fellowship.

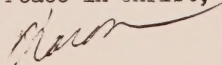

To do this, I need your help. I would greatly appreciate it if you would take the time to respond to the enclosed survey and return it within three weeks. I know that filling out surveys is usually not one of the most important tasks confronting us. However, I hope that your concerns in this area will be sufficient enough that you will be willing to gift me with your time and effort.

Please return the surveys to:

Rev. Karon VanGelder

P.O. Box 11543
Harrisburg, PA 17108.

I thank you greatly for whatever assistance you can give.

Grace and Peace in Christ,

To be thankful - for what we have.
Had we not - we would not live.
Always faithful - that things will be well.
Never so mighty - to humble ourselves.
Kindling true friendships - that remain heartfelt
Satisfied to draw another living breath.
Giving to those - who have a greater need.
Including all people - when sharing our seeds.
Visions of bountifulness - a testimony to our deed
Indians at PLYMOUTH ROCK began this day.
Needy themselves - but instead they...
Gave.

Marge -

I just want to let you know how much your sermon did for me last evening. It wasn't just the stuff about D. Daniels... yes, it got to me as well... but the whole thing you did Sunday night was as moving as any of the 47 sermons I've heard you do since last summer.

God bless you!

Attn. Rev. Jim Culbreth

Dear Jim,

I am writing you this letter in regards to information that was passed on to me by one of our members Mr. Joe Tate. Joe stated that your congregation was interested in purchasing an air conditioning system for your building. We have 2 used air conditioning compressor units which we used for a short period of time at our former location at St. Peter's Lutheran church. However, since our gift of a building for our congregation to use as well as to utilize for our P.W.A.'s who need shelter locally, we no longer require these units. They would be excellent for use to integrate into an existing central duct system or can be used as the needed counterpart for a air handling system which you may choose to have installed locally.

These units are a 5 ton and a 7.5 ton unit each with the capacity to cool approximately 2000 to 3000 sq. ft. approximately of you building. They are both Carrier brand units. The 5 ton unit is approximately 10 to 12 years old and the 7.5 ton unit is approximately 15 to 20 years old. They have both been fully rebuilt and maintained and should work well at your location. They are currently being stored at a gentlemans home whom is a friend of mine who personally removed and brought these units to his home. He is by the way fully qualified air conditioning and refrigeration technician.

He has advised me that he will be charging our church at the time of sale of these units a flat storage fee of \$150.00 for his time and trouble involved. Further our congregation is requesting \$400.00 for the 5 ton unit and \$600.00 for the 7.5 ton unit. The \$150.00 storage fee will be payable immediately to us so we may in turn pay our gentleman for storage. However, the remainder of the balance of the requested sums per unit can be made to our congregation in payment form should your congregation choose to purchase them for your building. to further clarify the part about the storage fee, that would be \$75.00 per unit for storage if you should decide that only one unit is needed for your building instead of both.

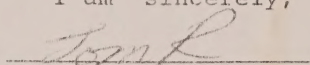

Jim, we intend to use the monies recieved from the sale of these units to further facilitate our ongoing efforts to assist our P.W.A.'s. We are in immediate need of a telephone which will require a deposit before we can open our building to our P.W.A.'s to use as a shelter. Therefore, your purchase of these unit(s) will in essence be a contribution of sorts to help further our M.C.C. at Mobile Aids Buddy Program which as I am sure you are already aware needs as much help from any source that we can obtain for it.

I apologize for the impersonability of a letter but I was unable to contact you by phone since your number was changed. If your congregation

is interested in pursuing this matter further, please feel free to write me at the address that I have enclosed or Rev. Ragona at 57 North Reed St. Mobile, Al. 36604 or call me at home at (205) 460-2802. I must warn you however, that my job is very irrattic hours as I am a field electronics technician but often my lover Dean is at home after 6P.M. and would be glad to take any messages from you concerning this matter.

I hope tis transmittal has been of some use to you and your group and I am in hopes that your congregation will grow and blossom as well as our group has in the 2½ years that we have been in existence. I certainly thank God every day that I was given an opportunity to "Become part of the Family". May all the future days bring love and joy to you.

In Christ Name
I am sincerely,
